Following our initial investigation, Scott may face additional charges related to vehicle burglaries which occurred in Pembroke Pines.

Over the past several weeks our department has seen a pattern of vehicle burglaries involving unlocked vehicles. These are crimes of opportunity, and can occur very quickly as criminals walk through parking lots and neighborhoods pulling on door handles. We would like to remind residents to always lock your vehicle doors, remove your valuables (including spare keys and firearms), and report suspicious activity to police.

We'd like to thank the hard work of our Burglary Suppression Team, General Crimes Unit, and road patrol officers for their efforts in stopping further vehicle burglaries from occurring within our residential communities. Our investigation into these incidents remains active and on-going.
