A preliminary investigation revealed that the driver of a sedan stopped their vehicle directly in front of the victim's residence. It is believed that the driver, and possibly their passenger, fired multiple gunshots which caused damage to the front door and a front window of the victim's residence. Damage also occurred to two vehicles parked in the victim's driveway.

Seconds later, the suspect(s) drove away at a high rate of speed.

The victim was not injured and was the only person home during the shooting.

Investigators developed information that would suggest this incident is not likely a random act of violence, nor is it believed that a credible threat to the general public exists.

Any member of the public with information regarding this shooting is urged to contact the Pembroke Pines Police Department at 954.431.2200, email tips@ppines.com, or call Crime Stoppers at 954.493.TIPS.
