During the overnight hours of Friday, October 28<sup>th</sup>, 2022, members of the Pembroke Pines Police Department responded to Round 1 in reference to a male shooting a gun in the parking lot. When officers arrived in the area, the parking lot was empty.

A few moments later, a female victim waved down police officers in the area of University Drive and Pines Boulevard and told them that she had just been shot at by her husband, Alfonson Washington, in the Round 1 parking lot.

A preliminary investigation revealed that the female victim was parked at Round 1 with the other male victim seated inside of her vehicle when they were suddenly approached by Washington. As Washington approached the vehicle, he began to shoot in the direction of the female victim's vehicle.

The victims fled the area and Washington began to chase them until they were able to flag down police officers.

The suspect is not in custody at this time and members of the Pembroke Pines Police Department Investigations Division are actively searching for the suspect. The investigation is currently on-going.

The Pembroke Pines Police Department asks our media partners to broadcast this information, and urges any member of our community who know the whereabouts of the suspect to contact 954.431.2200, email [tips@ppines.com](mailto:tips@ppines.com), or contact Crime Stoppers at 954-493-TIPS. Based upon the circumstances of the incident, we do not believe that there is a continued threat to the community, but the suspect should be considered armed and dangerous.
