As the victim attempted to leave, suspect #1 hit him in the face with the handle of the firearm causing minor injuries. The victim then relinquished the iPhone but refused to hand over any other property despite the suspect's demands.

As a result, suspect #1 fired two additional shots – one into the ground and another toward a building. None of the three bullets fired struck any person.

Suspect #1 ran away from the meeting point, returned to the awaiting blue sedan, and suspect #2 drove the car away.

Detectives are actively investigating leads and urge any member of the community to come forward with information pertaining to the suspects or the blue sedan.
